Erratum regarding previously published articles

Owing to a Publisher error Declaration of Competing Interest statements were not included in the published versions of the following articles, that appeared in previous issues of Journal of Clinical Orthopaedics and Trauma.

The appropriate “Declaration of Competing Interest statements”, provided by the Authors, are included below.

1. “Is It Necessary to Tie the Medial Row in Rotator Cuff Repair Double-Row Constructs when using Suture Tape?” (Journal of Clinical Orthopaedics and Trauma, 2020; 11: 378–382). <https://10.1016/j.jcot.2020.02.007>

Declaration of Competing Interest: The Authors have no interests to declare.

2. “Bone block procedures for glenohumeral joint instability” (Journal of Clinical Orthopaedics and Trauma, 2019; 10: 231–235). <https://10.1016/j.jcot.2018.10.002>

Declaration of Competing Interest: The Authors have no interests to declare.

3. “Axial giant cell tumor current standard of practice” (Journal of Clinical Orthopaedics and Trauma, 2019; 10: 1027–1032). <https://10.1016/j.jcot.2019.09.025>

Declaration of Competing Interest: The Authors have no interests to declare.

4. “Working through the COVID-19 outbreak: Rapid review and recommendations for MSK and allied health personnel” (Journal of Clinical Orthopaedics and Trauma, 2020; 11: 500–503). <https://10.1016/j.jcot.2020.03.014>

Declaration of Competing Interest: The Authors have no interests to declare.

5. “Cementless jumbo cups for revision of failed Furlong prosthesis. A case series” (Journal of Clinical Orthopaedics and Trauma, 2020; 11: 56–61). <https://10.1016/j.jcot.2018.08.009>

Declaration of Competing Interest: The Authors have no interests to declare.

6. “Effects of age and rate of twist on torsional fracture patterns in infant porcine femora” (Journal of Clinical Orthopaedics and Trauma, 2020; 11: 281–285). <https://10.1016/j.jcot.2018.09.008>

Declaration of Competing Interest: The Authors have no interests to declare.

7. “Tibial-tubercle avulsion and patellar-tendon rupture in pre-pubertal child with osteogenesis imperfecta(OI): Case report and review of current treatment in OI” (Journal of Clinical Orthopaedics and Trauma, 2020; 11: 339–343). <https://10.1016/j.jcot.2020.01.013>

Declaration of Competing Interest: The Authors have no interests to declare.

8. “Ultrasound-guided injections in musculo-skeletal system - An overview” (Journal of Clinical Orthopaedics and Trauma, 2019; 10: 669–673). <https://10.1016/j.jcot.2019.05.013>

Declaration of Competing Interest: The Authors have no interests to declare.

9. “Can IL-6 predict the development of fat embolism in poly-trauma? A rabbit model pilot experimental study” (Journal of Clinical Orthopaedics and Trauma, 2020; 11: 86–92). <https://10.1016/j.jcot.2019.09.014>

Declaration of Competing Interest: The Authors have no interests to declare.

10. “Minimising aerosol generation during orthopaedic surgical procedures- Current practice to protect theatre staff during Covid-19 pandemic” (Journal of Clinical Orthopaedics and Trauma, 2020; 11: 506–507). <https://10.1016/j.jcot.2020.04.024>

Declaration of Competing Interest: The Authors have no interests to declare.

11. “3D printing-creating a blueprint for the future of orthopedics: Current concept review and the road ahead!” (Journal of Clinical Orthopaedics and Trauma, 2018; 09: 207–212). <https://10.1016/j.jcot.2018.07.007>

Declaration of Competing Interest: The Authors have no interests to declare.

12. “Rheumatoid subacromial-subdeltoid bursitis with rice bodies: A case report” (Journal of Clinical Orthopaedics and Trauma, 2019; 10: 514–517). <https://10.1016/j.jcot.2018.09.014>

Declaration of Competing Interest: The Authors have no interests to declare.

13. “Impact of COVID 19 lockdown on orthopaedic surgeons in India: A survey” (Journal of Clinical Orthopaedics and Trauma, 2020; 11: 514–517). <https://10.1016/j.jcot.2020.05.007>

Declaration of Competing Interest: The Authors have no interests to declare.

14. “Use of reverse stemless shoulder arthroplasty in a patient with multiple hereditary exostosis” (Journal of Clinical Orthopaedics and Trauma, 2020; 11: 752–755). <https://10.1016/j.jcot.2020.06.044>

Declaration of Competing Interest: The Authors have no interests to declare.

15. “Outcomes following fixation for proximal humeral fractures” (Journal of Clinical Orthopaedics and Trauma, 2019; 10: 468–473). <https://10.1016/j.jcot.2019.01.029>

Declaration of Competing Interest: The Authors have no interests to declare.

16. “Demographics, mechanism of injury, and associated injuries of 25,615 patients with talus fractures in the National Trauma Data Bank” (Journal of Clinical Orthopaedics and Trauma, 2020; 11: 426–431). <https://10.1016/j.jcot.2019.06.007>

Declaration of Competing Interest: The Authors have no interests to declare.

17. “6-Year clinical results and survival of Copeland Resurfacing hemiarthroplasty of the shoulder in a consecutive series of 279 cases” (Journal of Clinical Orthopaedics and Trauma, 2020; 11: 265–269). <https://10.1016/j.jcot.2019.05.014>

Declaration of Competing Interest: The Authors have no interests to declare.

18. “Arthroscopic ankle fusion to manage sequel of loss of lateral malleoli in compound crushed ankle injury” (Journal of Clinical Orthopaedics and Trauma, 2019; 10: 231–233). <https://10.1016/j.jcot.2018.12.001>

Declaration of Competing Interest: The Authors have no interests to declare.

19. “Modic changes - An evidence-based, narrative review on its patho-physiology, clinical significance and role in chronic low back pain” (Journal of Clinical Orthopaedics and Trauma, 2020; 11: 761–769). <https://10.1016/j.jcot.2020.06.025>

Declaration of Competing Interest: The Authors have no interests to declare.

20. “Diagnosing posterior tibial tendon tear with dynamic ultrasound following tibial intramedullary nailing” (Journal of Clinical Orthopaedics and Trauma, 2019; 10: 666–668). <https://10.1016/j.jcot.2018.08.015>

Declaration of Competing Interest: The Authors have no interests to declare.
