Erratum regarding previously published articles

Owing to a Publisher error Declaration of Competing Interest statements were not included in the published versions of the following articles, that appeared in the previous issues of Journal of Clinical Orthopaedics and Trauma.

The appropriate “Declaration of Competing Interest statements”, provided by the Authors, are included below.

1. “Sternoclavicular joint tuberculosis: A series of conservatively managed sixteen cases” (Journal of Clinical Orthopaedics and Trauma, 2020; 11: S557–S567) <https://10.1016/j.jcot.2020.04.026>

Declaration of Competing Interest: The Authors have no interests to declare.

2. “Thromboprophylaxis across orthopaedic surgery: Bibliometric analysis of the most cited articles” (Journal of Clinical Orthopaedics and Trauma, 2020; 16: 157–167) <https://10.1016/j.jcot.2020.12.015>

Declaration of Competing Interest: The Authors have no interests to declare.

3. “Changes in femoral offset is not associated with increased incidence of lateral hip pain following total hip arthroplasty” (Journal of Clinical Orthopaedics and Trauma, 2020; 16: 132–135) <https://10.1016/j.jcot.2020.12.010>

Declaration of Competing Interest: The Authors have no interests to declare.

4. “Subtalar fusion and exostectomy in calcaneus malunion: How we do it” (Journal of Clinical Orthopaedics and Trauma, 2020; 11: 492–497) <https://10.1016/j.jcot.2020.03.011>

Declaration of Competing Interest: The Authors have no interests to declare.

5. “Modic changes - An evidence-based, narrative review on its patho-physiology, clinical significance and role in chronic low back pain” (Journal of Clinical Orthopaedics and Trauma, 2020; 11: 761–769) <https://10.1016/j.jcot.2020.06.025>

Declaration of Competing Interest: The Authors have no interests to declare.

6. “Do irradiated osteo-articular recycled tumor autografts still hold promise for biological joint reconstruction? Our experience with acetabular and proximal ulna ECRT” (Journal of Clinical Orthopaedics and Trauma, 2020; 16: 149–153) <https://10.1016/j.jcot.2020.12.011>

Declaration of Competing Interest: The Authors have no interests to declare.

7. “Tibial-tubercle avulsion and patellar-tendon rupture in pre-pubertal child with osteogenesis imperfecta(OI): Case report and review of current treatment in OI” (Journal of Clinical Orthopaedics and Trauma, 2020; 11: 339–343) <https://10.1016/j.jcot.2020.01.013>

Declaration of Competing Interest: The Authors have no interests to declare.

8. “Guidelines for management of crush injuries of the hand” (Journal of Clinical Orthopaedics and Trauma, 2020; 11: 517–522) <https://10.1016/j.jcot.2020.03.028>

Declaration of Competing Interest: The Authors have no interests to declare.

9. “Is it necessary to tie the medial row in rotator cuff repair double-row constructs when using suture tape?” (Journal of Clinical Orthopaedics and Trauma, 2020; 11: S378–S382) <https://10.1016/j.jcot.2020.02.007>

Declaration of Competing Interest: The Authors have no interests to declare.

10. “When a volar locking plate is not the right choice in fractures of the distal radius: Case based technical considerations” (Journal of Clinical Orthopaedics and Trauma, 2020; 11: 542–553) <https://10.1016/j.jcot.2020.05.040>

Declaration of Competing Interest: The Authors have no interests to declare.

11. “Role of transforaminal epidural injections or selective nerve root blocks in the management of lumbar radicular syndrome - A narrative, evidence-based review” (Journal of Clinical Orthopaedics and Trauma, 2020; 11: 802–809) <https://10.1016/j.jcot.2020.06.004>

Declaration of Competing Interest: The Authors have no interests to declare.

12. “A rare case of calcific tendinitis of biceps femoris presenting with lateral knee pain” (Journal of Clinical Orthopaedics and Trauma, 2020; 11: S660–S662) <https://10.1016/j.jcot.2020.04.015>

Declaration of Competing Interest: The Authors have no interests to declare.

13. “Congenital thumb differences- current concepts” (Journal of Clinical Orthopaedics and Trauma, 2020; 11: 580–589) <https://10.1016/j.jcot.2020.06.018>

Declaration of Competing Interest: The Authors have no interests to declare.

14. “Computer navigation assisted tumor surgery for internal hemipelvectomy - Early experience” (Journal of Clinical Orthopaedics and Trauma, 2020; 13: 63–65) <https://10.1016/j.jcot.2020.08.016>

Declaration of Competing Interest: The Authors have no interests to declare.

15. “Complete posterior dislocation of fractured lateral condyle of tibia with disruption of proximal tibiofibular joint: Technical note” (Journal of Clinical Orthopaedics and Trauma, 2020; 14: 127–131) <https://10.1016/j.jcot.2020.07.008>

Declaration of Competing Interest: The Authors have no interests to declare.
